The games on **Tuesdays and Saturdays** are exclusively Club Draw Games of 14 ends. All members who sign up and desire to bowl will bowl in such games and their bowling teammates will be selected by draw. **Whites are favored on Tuesdays and required on Saturdays.** Members shall not arrange and play in a set up game of their choice during the time of the Draw Games. All members are eligible to play in such games. **Members must sign up using Sign Up Genius (<https://www.signupgenius.com/go/10c0d4ca4aa2babfdc61-saturday> or <https://www.signupgenius.com/go/10c0d4ca4aa2babfdc61-tuesday> by 4 pm on the day before.**

A Draw Game of 14 ends takes approximately 2 hours and 15 minutes. If you are not prepared to play that long you should not enter the Draw Game because leaving early is not fair to those who have come to play the 14 ends. Nevertheless, in the case of injury, exhaustion or emergency a player can of course withdraw from the game, but should make an effort to have a substitute finish the game in his or her place if available. A group may choose a shorter number of ends if **everyone** agrees **before** play begins. **PLEASE ARRIVE NO LATER THAN 8:45 AM for DRAW GAMES!!**

The John D. Spreckels Bowling Green is open Monday through Sunday 8 am to 6 pm by reservation (<https://clbclawnbowling.skedda.com/booking>), except during the hours designated for the Draw Games on Tuesdays and Saturdays. The Restrooms will be accessible.

There is currently no access to the Green Room due to Covid-19.

Any member may practice or arrange and play in a set-up game during any and all of the times that Club Draw games are not being played. **Special Access is necessary for Sunday Bowling.**
