

A Message from President

Mike Lane

Play Fair, Be Safe, Have Fun

I am honored to be chosen as the new president of the CLBC 2023. As I look forward to the New Year I have every intention to give my best effort to the position you have entrusted me with as your captain.

Lawn bowling is one of the few sports where true sportsmanship still prevails. I'm proud to say this is a condition CLBC members hold sacred. We all shoulder the responsibility of being the custodians of the city's green, as CLBC is considered a flagship in the sight of the public visiting Coronado, the city council and residents.

*The future of CLBC relies on one very important platform and that is **VOLUNTEERS**. Everyone must give their all, not only for the club but what we stand for and the sport we are inviting the public to embrace. **VOLUNTEERING** can be in the form of green maintenance to the simple task of offering a hand shake and a welcoming smile.*

Many thanks to the City of Coronado for supporting CLBC and the hard work of our past presidents and board members for fighting the fight in our future endeavors. Remember, "play fair, be safe and have fun."

Social Thanks,

Mike Lane
